Clients I've had the pleasure of working with: **Hilton, Embassy Suites, Gloria Jean's Coffee House, It's a Grind Coffee House, California Pizza Kitchen, The Elephant Bar, BH Fitness, the Orange County Boy Scouts of America and more.**

Projects created and collaborated on: national marketing campaigns, advertisements, stationery, logos, brochures, posters, packaging, social media graphics, web graphics, etc.

Loyal, driven, creative, self-starter, friendly. Able to take an idea from concept to completion on my own, yet also value working with a team.

SOFTWARE

KUDOS

“Karen is a very conscientious worker with a wonderful **“can-do” attitude** – there is no **“diva syndrome”** that can often plague creatives. She’s a **good communicator**, takes a new project and runs with it, quick with turnarounds, **meets deadlines**, and is detail oriented.”
